S	6/18	Graduation .....	TBA

We are tentatively planning another trip next year for **The Forge Sound and Guard ONLY!** Plans are underway for a performance in another great location. Only those students who participate for the entire marching season and remain in good standing in *The Forge Sound and Guard* throughout the year will be allowed to go on this trip. A payment schedule will be established in the early fall of next year so people will have plenty of time to prepare. Please keep in mind that fund raising opportunities will be offered for you and will apply toward next year's expenses!
